Although the group's walks leaders take care with the planning and execution of their walks, anyone taking part in our walks does so at their own risk. Please stay behind the walk leader and in front of the back marker. Leaders must be allowed to follow their planned route and walkers should only intervene if help is requested.

If you have any queries regarding a walk please contact the walk leader beforehand (non-members please contact the Walks Coordinator on 07947 539635 or info@meopham-walkers.co.uk).

If the weather is bad, please check with the leader (or Walks Coordinator) that the walk will go ahead. If a walk is cancelled, we will try to update Facebook and our website but this cannot be guaranteed.

Walkers are advised to wear appropriate footwear (walking boots, sturdy trainers or wellingtons) and to bring water and their own basic first aid equipment for every walk.

DOGS ON WALKS

Unless otherwise stated, dogs on SHORT leads are welcome walks. Please check the details of each individual walk as to whether dogs are allowed on that walk. Please see www.meopham-walkers.co.uk/walks-programme for our full policy regarding dogs.

Please keep dogs on short leads at all times as long leads can cause a hazard for other walkers. If a dog is badly behaved, the owner will be asked to leave the walk and the dog will not be allowed in future.

Many walks include stiles, which may not be accessible by large dogs.
